## SECTION 2: ACAA MEMBERSHIP CLASSES

Please read the following membership category descriptions to determine one which best describes your CCP involvement. Complete the following sections to indicate your selection.

### INDUSTRY MEMBERS

**Electric Utility CCP Producer (Category U):** CCP producers to include electric utility and independent power producers (IPPs) located in North America or the Territories of the United States of America.

**Non-Electric Utility CCP Producer (Category N):** Producers of CCPs other than Class U or persons controlling such producers of CCPs who have CCP producing facilities located in the United States or the Territories of the United States of America.

**General CCP Marketer (Category M):** General marketers manage or broker CCPs for applications such as, but not limited to, fly ash in pozzolanic and cementitious uses, waste and/or soil stabilization, etc.

**Specialty CCP Marketer (Category MS):** Specialty marketers manage or broker specialty CCPs only, such as non-pozzolanic, non-cementitious materials including but not limited to, cenospheres, bottom ash, synthetic gypsum, CCPs for structural fill or reclamation, etc.

### ASSOCIATE MEMBERS

**Associate Member (Category AS):** Associate members are organizations or individuals with the same goals as the Association but that are not eligible for membership as an INDUSTRY MEMBER. Examples of ASSOCIATE MEMBERS are engineering and environmental consultants, law firms, end-users of CCPs (i.e. ready-mix producers, highway pavers, cement and wallboard producers, etc.), university research consortiums, agricultural interests, coal companies, and organizations or individuals that promote the use of CCPs in green building and sustainable development, and foreign producers and marketers.

### SECTION 3: MEMBERSHIP DUES

Membership dues are calculated on a full year's membership and, where applicable, prorated on a calendar year basis. Check the desired membership dues box related to the membership category you chose in Section II above.

#### INDUSTRY MEMBERS

**Electric Utility Producer (Category U):** Dues for Electric utility producers of CCPs shall be computed at \$4.00 per megawatt of owned operating coal-fired generation. The maximum annual dues amount for any Category U members is \$15,000. The minimum membership dues are \$3,300. Complete a Category U Dues Calculation Worksheet available for download on the ACAA "How do I join" page. The Category U calculation worksheet is handled as confidential information. After completing the worksheet, fax it along with this application to ACAA.

Enter total owned, coal-fired megawatts: _____	Check if calculated dues are less than \$3,300	
<b>Non-Electric Utility CCP Producer (Category N):</b>	\$3,300	
<b>General CCP Marketer (Category M):</b> General Marketer dues are subject to established limits up to a maximum of \$13,500. These are based on the total tons of CCPs marketed, brokered or managed during the previous calendar year. Any marketing data submitted to ACAA for the purpose of determining annual dues is treated as confidential. Check the amount of marketed CCPs applicable to your organization.
